DES. No. 5 of 1985

GOVERNMENT OF KARNATAKA

FULLY REVISED ESTIMATES
OF
PRINCIPAL CROPS IN KARNATAKA
FOR
THE YEAR 1982-83.

Issued by
DIRECTORATE OF ECONOMICS AND STATISTICS
BANGALORE
1984

P R E F A C E

The Directorate of Economics and Statistics has been made responsible for finalising and release of official estimates of area, production and yield rates of all the important crops grown in Karnataka State. These finalised estimates are released in the form of fully revised estimates annually.

In this annual publication is presented the finalised tables in respect of area, production and yield rates of all the principal crops grown in the State. The results obtained from the conduct of crop cutting experiments are used in building the production and productivity estimates in the Fully Revised Estimates series.

The current issue for the year 1982-83 is the twenty eight number under the series. The data is presented districtwise to enlarge its scope and utility. It is hoped that this publication will be of immense use not only to the planners and policy makers but also to the administrators and research workers.

The collection and compilation of data together with the calculations involved in the preparation of this volume has been done in the Agricultural Statistics Wing of the Directorate, under the overall technical guidance and supervision of Shri V. Balasubramanian, Joint Director, Agricultural Statistics Wing. Shri N. Vyramudi Gowda, Deputy Director (ASR) was responsible in bringing out this publication. He was assisted by Shri R. Ranganwamy, Assistant Statistical Officer, Shri Venkataraya and Smt. Usha Kiran, Statistical Inspectors in the collection and compilation of the data together with the calculations involved in the preparation of this volume.
